SYMPOSIUM/2022

HYBRID EVENT

📅 27 February – 3 March 2022

👥 **Face-to-face**
Catamaran Resort Hotel & Spa, San Diego, California

💻 **Virtual**
Virtual event platform including GatherTown

About NDSS

NDSS is a leading global security conference. It fosters information exchange among researchers and practitioners of computer, network and distributed system security and encourages and enables the Internet community to apply, deploy, and advance the state of practical security technologies.

🖱 www.ndss-symposium.org

⟩ What to Expect at NDSS 2022

- Five-day hybrid event (virtual and in-person) including the main NDSS symposium, a one day Usable Security symposium, and five co-located workshops
- Around 90 peer-reviewed papers
- Invited speakers who are leaders in the field of systems security
- In-person and virtual sponsor booths
- Poster Sessions
- Networking breaks, lunches and socials

⟩ Attendees

Attendees include those interested in the practical aspects of network and distributed system security, with a focus on actual system design and implementation from around the world:

- University researchers, educators and students
- Chief Technology and Privacy Officers
- Security Analysts and System Administrator
- Operations and Security Managers

Hosted by: **Internet Society**

Sponsorship Opportunities

Sponsors of the NDSS 2022 Symposium will receive:

- Visibility and recognition among leading security researchers and practitioners
- An opportunity to demonstrate your organization's support for emerging research and the next generation of leaders in the security field
- Access to security experts for recruiting purposes
